## CALVARY MINISTRY SCHOOL FACTS

Calvary Ministry School is a leadership training initiative of Calvary Church. The purpose of this ministry is to train and develop Pentecostal leaders to be equipped to proclaim the life-changing message of faith in Jesus Christ.

We will accomplish this goal by focusing on three areas:

- Bible and leadership knowledge
- Ministry involvement
- Spiritual formation

### BIBLE AND LEADERSHIP KNOWLEDGE:

Calvary Ministry School is a Global University recognized Study Group of Berean School of the Bible.

Calvary is offering classes through Berean that will enable the participant to work towards ministerial credentials with the General Council of the Assemblies of God.

Students do not have to be seeking ministerial credentials to take these classes. Everyone will benefit from the classes.

### Facts about Berean Courses:

- One-time admission fee to Global University is \$30.
- Students receive a 20% discount for each class because Calvary is a recognized study group. Each course costs the student approximately \$75-\$85.
- Each course will take approximately 10-12 weeks to complete.
- Benefits of participating in the study group are the in-class opportunity for learning and, of course, the 20% discount on course costs.
- Total of 9 courses required for Certified Minister credentials. An additional 10 courses required for Licensed Minister credentials. An additional 8 courses required for Ordained Minister credentials.

- First level of ministerial credentials (Certified Minister) can be earned in as little as 18 months.
- Classes can receive college credit as electives when used in conjunction with certain degree programs from Global University.

### MINISTRY INVOLVEMENT:

One of the goals of this program is to ensure that men and women can have the opportunity to actively participate in ministry.

Participants will be connected with ministry leaders who can mentor them and help in the process of getting them involved in ministry.

### SPIRITUAL FORMATION:

Leaders not only need Bible and leadership knowledge and experience in ministry, but they also need to be developing a deeply rooted relationship with Jesus Christ. Meeting the needs of others out of a close and intimate relationship with Jesus is what empowers men and women to accomplish life-changing ministry.

During class time, we will be learning how to connect more deeply with Christ and how we can help those in our ministries to do the same.

The goal of this effort will be nothing short of personal revival in each of our lives.
