

# Depending on You [Lyrics, 130 bpm]

[Default Arrangement]

## Verse 1:

Standing tall  
But in my heart, I'm on my knees  
Hands upraised  
But underneath it You can see  
I'm on my face  
Before Your throne  
In the secret of this moment, we're alone

## Chorus:

Jesus, I'm depending on You  
Lavish humble praises on You  
Ashes and heaviness  
Traded for whatever is best, somehow  
I'm depending on You now

## Verse 2: (Same chords as Verse 1)

On this road  
You are the light upon my feet  
Through the dark  
You are the courage that I need  
All of my fears  
You've overthrown  
In Your presence, tiny seeds are mighty oaks

Repeat **Chorus**

## Bridge 1:

You're God not man that You should lie  
And Your promises endure the test of time  
Speak life and never take it back  
Shake the universe to bring Your word to pass  
Shake the universe to bring Your word to pass

## Bridge 2:

I depend on You  
I depend on You  
Nothing I can do  
But depend on You  
(Repeat)

Repeat **Chorus**

Repeat **Bridge 2**
