[Default Arrangement]

Verse 1:

Like a child filled with wonder, Captivated and amazed
I give my heart in full surrender, I want to meet You in this place.

In Your presence, I am healed I am whole
Bowed in reverence, to You sitting on Your throne
The King of earth and heaven seeks and saves my heart
Forever changed, forever set apart

The veil was torn, You pulled me closer How I longed for Your embrace
You cleanse my heart, You draw me nearer I never want to leave this place

I enter in, my heart with praise freed from sin, filled with grace
Overwhelmed, I lift Your name I'll stay forever in this place

Chorus 2:

In Your presence, I am healed I am whole
Bowed in reverence, to You sitting on Your throne
The King of earth and heaven seeks and saves my heart
Forever changed, forever set apart
