

## **Unrelenting Love**

**6m 4 1**

### **Verse 1:**

**6m            4            1            6m            4            1 5**  
The cross redefined love      Resolved, You hung by nails

**6m            4            1            6m            4            1 5**  
In taking Your last breath      perfect love prevailed

**4            6m            1 5**  
You're the only hope of the world

### **Chorus 1:**

**4    1    5 6m                            4            1    5 6m**  
Your unrelenting love      won't stop pouring out grace

**4            1            5                            6m**  
It can not be contained, It shatters every wall

**4            5    1**  
And it triumphs over all

### **Verse 2: (same chords as V1)**

Your blood cleansed our hearts      all our pasts erased  
With our charges nailed to the cross  
You conquered all our shame  
You're the only hope of the world

### **Bridge:**

**4                            6m                            1                            5**  
Unshakable,      Undeniable Your love can't be tamed

**4                            6m                            1                            5**  
It's so marvelous, completely boundless      Your love can't be tamed

**(Repeat)**

### **Verse 3: (same chords as V1)**

You won Your victory      When You rose up from the grave  
Death has been dethroned Now forever You reign  
You're the only King of the world

**Chorus 2:**

4 1 5 6m 4 1 5 6m  
Your unrelenting love won't stop pouring out grace

4 1 5 6m  
It can not be contained, It shatters every wall

4 5 6m 1  
And it triumphs over all

6m 5 4  
And it triumphs over all
