

# Unrelenting Love [Lyrics, 138 bpm]

[Default Arrangement] by Aaron Jones, Jon Ketchum, Michelle Lutz, and Rob Ketchum

## Verse 1:

The cross redefined love  
Resolved, You hung by nails  
In taking Your last breath  
Your perfect love prevailed.  
You're the only hope of the world

## Chorus 1:

Your unrelenting love won't stop pouring out grace  
It cannot be contained, it shatters every wall  
And it triumphs over all

## Verse 2: (same chords as V1)

Your blood cleansed our hearts  
all our pasts erased  
With our charges nailed to the cross  
You conquered all our shame  
You're the only hope of the world

Repeat **Chorus 1**

## Bridge:

Unshakable, Undeniable  
Your love can't be tamed  
It's so marvelous, completely boundless  
Your love can't be tamed  
(Repeat)

## Verse 3: (same chords as V1)

You won Your victory  
When You rose up from the grave  
Death has been dethroned  
Now forever You reign  
You're the only King of the world

## Chorus 2:

Your unrelenting love won't stop pouring out grace  
It cannot be contained, it shatters every wall  
And it triumphs over all  
And it triumphs over all
